

Dr. Piyatida Ruangrassamee  
Lecturer  
Department of Water Resources Engineering,  
Faculty of Engineering, Chulalongkorn University  
Bangkok, Thailand

---

Dr. Piyatida Ruangrassamee is a lecturer at Department of Water Resources Engineering, Faculty of Engineering, Chulalongkorn University, Bangkok, Thailand. She received her Ph.D. from MIT and her research focuses on water security, hydrological modelling and optimization, impact of climate change, and water-related disasters. In 2018, she leads a research project on “Analysis of water security, water productivity and water-related disaster for water resources master plan” with the support from Thailand Research Fund.
