

Tom Lienesch

Lead
Capital, Finance and Rates Section
King County Wastewater Treatment Division
Tom.lienesch@kingcounty.gov

Tom Lienesch leads the capital, finance and rates section for the King County Wastewater Treatment Division (WTD). The Division provides wholesale wastewater treatment and conveyance services to over 1.7 million people in 34 local agencies and cities with a six-year capital program of approximately \$1.9 billion. During his 22 years with WTD, Mr. Lienesch has focused on financing the capital program, rate setting, analyzing and creating alternative rate structures and developing financial policies.

Prior to WTD, Mr. Lienesch was Chief of the Regional Analysis Branch at the Bureau of Economic Analysis in Washington DC where he worked on economic forecasting, multi-state modelling of Federal policy impacts and regional economic analysis. He holds a master's degree in economics from the Johns Hopkins University and a bachelor of arts in economics from the University of Washington,
